TO THE CLASS OF 1952 AND THOSE TO FOLLOW:

Among the Seven Cardinal Virtues of Education there are three to which I would call your attention. I will do so by asking three or four questions. Answer them in your own mind as you go out into the world.

Are my attitudes such that I am worthy to become the parent of future citizens?

Am I willing to assume my obligations and responsibilities as a citizen in a self-governing state?

Have I developed a set of ethical values which will enable me to face life free and unfettered?

Have I reached the place in my thinking where I can accept and practice the doctrines of Universal Brotherhood?

If you can answer yes to these questions, we of the faculty, your parents, and your community can be justly proud of your attainments.

# Class Will

We, the Senior class of 1952, before leaving the doors of C.H.S. to pass into the great unknown, feel it our humble duty to hereby bequeath the few possessions, habits, and abilities to the following:

To the faculty we will the memories of us.

To the class of '53 we will our way with the teachers.

To the class of '54 we will our sense of humor.

To the class of '55 we will our artistic talents.

To the school as a whole we simply will "thanks."

The above we bequeath as a class, the following we bequeath as individuals.

I, Howard Bell, bequeath my quietness to John Juliuson.

I, Georgia Burrows, bequeath my art of chewing gum to Joanne Howarter.

I, Max Burrows, bequeath my ability to play football to anyone who thinks he can as well as I could.

→ I, Mary Churchill, bequeath my long hair to Helen Porter.

I, Robert Clayberg, bequeath my dancing ability to Dean Walters.

I, Larry Coulter, bequeath my car to anyone who has another Ford.

I, Audrey Edsall, bequeath my gifts of gab to Thelma Taylor.

I, Dick Ewan, bequeath my height to Gene McConkey.

I, Berneita George, bequeath my seats in American history and English to Nancy Marshall although they won't help her now.

I, Betty Haacke, bequeath my good manners to all underclassmen.

I, Dale Haggerty, bequeath my quietness to Clyde Von Ach.

I, Noble Hall, bequeath my way with the girls to Dee Williams.

I, Vernie Harr, bequeath my artistic talent to Ronnie Bishop.

I, Leigh Ann Henderson, bequeath my quietness to Ann Foster.

I, Hetty Hutchins, bequeath my height to Norma Ebany.

I, Victor Juliuson, bequeath my typing ability to Jerry McCaughey.

I, Wayne Lowe, bequeath my height to James Sharpe.

I, Harold Lynch, bequeath my car and the girls who ride in it to James McConkey.

- I, Donald Macey, bequeath my Dodge for anything better.
- I, Barbara Maxson, bequeath my cooking ability to Carol Mae Keime.
- I, Clinton McLouth, bequeath my curly hair to a Toni twin.
- I, Judy Morgan, bequeath my place in Office Methods to Wilma English.
- I, Alfred Nelson, bequeath my job in the bakery to absolutely no one.
- I, Eddie Phillips, bequeath my ability to be on the basketball team for four years to Junior Haynes.
- I, Guy Powell, bequeath Carol to anyone who thinks they can get her.
- I, Anne Quick, bequeath my ability to go with a boy from another town to Sharon McConkey.
- I, Ruth Quick, bequeath my ability to laugh at anything, anytime and anywhere to Delores Trout.
- I, Lois Rector, bequeath my singing talent to Clarabell Churchill.
- I, Arla Rock, bequeath my good grades to all underclassmen.
- I, Teresa Schleich, bequeath my ability to raise a model child to any P.T.A. member.
- I, Lois Schoonover, bequeath my job in the cafeteria to Gwendolyn Kruse.
- I, Betty Slater, bequeath my sweet smile to absolutely no one.
- I, Pauline Tracey, bequeath my bus ride to Charlotte Quigley.
- I, Richard Sorrells, bequeath my paper route to anyone who wants it.
- I, Robert Sorrells, bequeath my size to Harold Miller.
- I, Shirley Walsh, bequeath my gay laugh to Elinor White.
- I, Lorraine Wheeler, bequeath my homemaking talent to Jeaninne Van Middlesworth.
- I, Raymond White, bequeath my curly hair to Chuck Ford.
- I, Dorothy Williamson, bequeath my seat in American history to my sister Mary.
- I, Eleanor Wust, bequeath my quietness to Beverly Putnam.
- I, Ardith Zimmerman, bequeath my cheerful smile to everyone.

Signed

THE SENIOR CLASS OF 1952

Cuba, Illinois  
April 10, 1962

Yale College  
Dear Professor Davis,

Yesterday as I entered the Cuba bank, I received your address from an old schoolmate, Betty Hutchins. She has become very much involved in the garage business and is too busy to write so I thought I would drop you a line. Would you care to hear about the old class of '52? It has been ten years, but everyone surely misses the things we used to do at Cuba High.

Larry Coulter was very industrious after finishing high school. His name is now Mr. Nancy Marshall, Manager of the new hardware store in Cuba.

Artie Zimmerman entered nurses' training after school was out. She will be a full fledged nurse in 1963.

I was hungry for a piece of pie yesterday so I walked over to the Manor House Cafe. Dorothy Williamson served me the best apple pie you ever ate. She's still a good cook.

Ray White, gosh, he's still as timid and quiet as ever; but you see he does not get a chance to say much cause he has a wife and four kids now.

Lorraine Wheeler is done writing. The war is over and Jim Pigg is marching home. They will be married soon, I hear.

Last night I went by Shirley Walsh's house. Her light was still burning. I guess she has started on European books. She's read everything in the U. S.

Leigh Ann Henderson is now hat check girl at the Brown Derby Cafeteria in Hollywood. She hopes for better work next year.

News has just come in that Bud Kelly has made his will. He has left all of his estate to Vernie Harr and Eddie Phillips.

Lois Recter finally got that big class ring she wore changed to a diamond last Christmas. I think she'll have another ring before the year is out.

A couple of years ago, Ruthie Quick entered National Competition and won "Miss Glamor" of 1960, but as usual Dick Shaw made up with her again and he won't allow it anymore.

Mary Churchill has finally given up looking for a rich husband and has settled down to enjoy the rest of her beauty career.

Well, Mr. Davis, since Georgia Burrows can't argue anymore with you she has her rounds with Chuck Pilgrim every night. They are now happily married but the air is always full of "flying saucers."

Max Burrows has done quite well for himself in the Dakota mountains, trapping for animals. He has a great collection of furs in his cabin.

Bobby Clayberg still has his little farm west of town. He batches there with his dog, Skeeter.

Betty Haacke has now moved into Lewistown, right over the Dew Drop Inn. I wonder what Lewistown has that Cuba never had.

Pauline Tracey has moved to Bushnell now, but she is still as nice as ever.

Oh, no, I hate to mention this but Eddie Phillips and Vernie Harr just finished first in the national tournament for Hop Scotch. The last words I heard Eddie utter were, "That's good ball playin."

Guess what? Last year Richard and Robert Sorrels both were awarded the prize for the best rabbit hunters of the season.

Lois Schoonover is now the Home Economics teacher in Cuba. Mrs. Hovey decided it was too much to run two homemaking jobs at once so she retired.

I really don't know how to tell you about Arla Jean Rock. She has a teacher's degree in commercial, home economics, chemistry, and Latin. She is trying to pick out what she wants to teach this year. Maybe you can give her some advice.

Since Barb Maxson was married before she was out of school, I don't have much to tell about her except that she is still as happy as ever.

"Hopp-along" Haggerty just inherited a large ranch in Wyoming. He will be settling out there just as soon as he gets his business affairs wound up.

Dick Ewan, now a photography editor for Walt Disney Studios in Hollywood, has great fun taking pictures of Mickey Mouse. They get along very well together.

I hate to say this, Mr. Davis, but poor old Waynie Lowe is still down at Seville. He zooms off for Bushnell every night rigged out in his best finery, but he's still a farmer at heart.

I guess Clinton McLouth really heads the party at Bradley. He is now captain and star player of their famed basketball team. He is the leader in every class he has. Some of those girl scholars have a hard time keeping up with him.

Yes, you guessed it. Alfred Nelson got a new job working at Day & Palin's new world famous bakery. He now has a lot of money or should I say, "Dough in his hair."

Carol Gilmore and Guy Powell finally consented to marrying each other. They now have two chickens, five goats and two rabbits. They hope to increase the herd next year.

Eleanor Wust is now running a new Made-Rite Stand in Bernadotte around the new tourist camps that have recently sprung up.

Yes, Tessie Schleich is still running. She still works night and day. She very seldom ever gets a chance to sit down and enjoy the company of her three children.

Don Macey has just finished his third lap around the North Pole. He's still away out in front. Time will tell whether he can survive the blistering heat of the North Pole.

Spoon River has had another big flood. Howard Bell has lost his whole fish hatchery in the water and will be unable to get into town for weeks.

Audrey Edsall, now Mrs. James Sharpe, is happily married and has three children; James I, James II, and James III. She just needs two more to make the first five for Cuba's ball team.

Judy Morgan is now a stenographer for Coach Jerry Lemon of the Bradley Braves. She is now residing in Peoria.

I haven't heard from Betty Slater for years, but the last I heard she was taking a post-graduate course in Steno III.

Oh, yes! Harold Lynch and Noble Hall have gone into a permanent business now as taxi drivers. Business is really picking up more everyday.

Last week I went into Day and Palin's, and Vic Juliuson was still working there. I think he is half owner now.

I suppose you're wondering what I've done. Well, I'm married and have a small regiment of marines running around tearing up my house; but, as everyone else is, I'm happy too.

Sincerely,

Berneita George

The Junior Class, under the direction of Mrs. Grace Vanden Huerk, presented a play, "Nine Girls." Those participating were left to right: Jane Ellen Clayberg, Sharon McConkey, Luanne Landis, Martha Orwig, Jeanette Ellis, Ann Foster, Helen Vander Hamm, and Jean Harper. Shirley Swango and Mrs. Vanden Huerk were not present.

## Football

The Cardinals started out the season with a 19-7 defeat, and tied Lewistown 6-6 in a cloudburst. Then in the homecoming game Bushnell defeated the Cardinals 25-7. On October 5 they started a winning streak by beating Astoria 19-6, Valley 25-7, and Havana 27-19. In the next two games they were defeated 12-7 by V. I. T.

A TEAM CHEERLEADERS: Pat Lescallet, Clarabel Churchill, Nancy Stockham, Loretta Ault.

B TEAM CHEERLEADERS: Elda Mitchel, Thelma Lafary, Nancy Marshall, Beverly Putnam.

# HOOP HIGHLIGHTS

The 1951 and 1952 Varsity team of Cuba High School was shorter than average, but they were a very scrappy team. Although the records show only 6 wins out of 19 games played, they always made a good showing.

The Cuba Freshman-Sophomore basketball team had a successful season, although they lost some heart-breaking games. They showed the people that they had a good team by reaching the finals in the County Tournament held at Table Grove.

# Track Squad

The 1951 track season opened with a dual meet with Farmington. The Cardinals were defeated by a slim margin. After a number of dual and triangular meets the much improved team traveled to Avon where they placed third in the Olympic Conference. A week later the County meet was held, at which time the Cardinals did not place.

The 1952 track season should be as successful as the '51 season because of the ten lettermen who will return.

## Baseball

Five games have been scheduled for the newly organized baseball team of the Cuba High School. Schools appearing on the Cuba Schedule are as follows: Astoria, Abington, Elmwood, and two games with Lewistown.

## Tumbling And Wrestling

A new activity consisting of wrestling and tumbling has been added to the sports' program of the Cuba High School. The tumblers coached by Maurice Kellogg made their first appearance December 14 between halves of the Cuba-Lewistown basketball game. They were well received by the fans who saw them perform.

The wrestlers, because of inexperience, are spending most of their time on fundamentals, on which they are rapidly improving. Before the end of the year they hope to have some bouts with neighboring towns.

Cuba High is very proud of its capable and efficient band director, Mr. Walter Brashear, and his fine band. Mr. Brashear has gained respect of both his band members and his associates, the public.

This year the band has been quite busy. Concerts were presented in the park last summer, and the band marched in the Labor Day Parade at Galesburg. It also participated in a contest at the Illinois State Fair in Springfield, bringing home a first rating and a Governor's Trophy.

At Christmas a concert was given, and one was also given at the Corn Show in the Fall.

The band has added spirit at both the football and basketball games. From the field during the football season, the marching band maneuvered with ease into

the signs of visiting schools and the playing of their loyalties added much to the credit of the band. The marching band also led the Homecoming Parade.

At the basketball games, the band has played from its new band room. Marches and melodies adding spirit to the team and audience, floated out over the heads of the spectators.

The highlight of the band's full year was the Fulton County Band Festival held in the Alice Ingersoll Gymnasium at Canton. Cuba Band played as its special selections, "Monte Cristo" and "True Blue March" and joined the mass band in its numbers. The audience enjoyed it very much as the music filled the gymnasium. Each band member will remember it as a special experience.

An attractive feature adding to the appearance and morale of the band members was the acquisition of new uniforms.

Our band has indeed added to our school life and spirit with the honors it has brought us. Every band member feels inspired when Mr. Brashear stands before him with baton in hand. Yes, music does have something.

## Cuba Future Farmers

The F.F.A. motto is: LEARNING TO DO, DOING TO LEARN, EARNING TO LIVE, LIVING TO SERVE.

The forty-five members of the Cuba Chapter have kept this motto in mind throughout the entire school year. The 1951 & 1952 members of the Cuba Chapter who were elected as the F.F.A. officers for this year are: Harold Lynch, President; Richard Ewan, Vice-President; Gene Miller, Secretary; Bill Oliver, Treasurer; and Larry Coulter, Reporter. These officers were selected at the last spring meeting last year.

During the summer vacation, Robert Clayberg represented the Cuba Chapter as a member of the Illinois State F.F.A. Band. The band members send in an application and are selected upon their experience and the recommendation written by their music instructor. We were very happy to have Bob represent us.

The Cuba Chapter participated in the State F.F.A. Judging Contest held at the University of Illinois. The members of the fat stock team were Raymond White, Gene Miller, and Marvin Henderson. This team received a white ribbon. The poultry team members were Guy Powell and Charles Dilts. They received a red team ribbon. The grain team was made up of Bob Fry, Walter Trout, and Roy Slater. This team brought home a blue ribbon, besides placing first in the state competition. The dairy team representatives were Charles Ford, Gary Keefauver, and Harold McMullen. This team received a red ribbon.

The State F.F.A. Convention was attended by three of our chapter members: Bob Clayberg, Dick Ewan, and Harold Lynch. The purpose of the convention is to develop the activities of the F.F.A. on a state level for the coming year and also to present awards to the outstanding F.F.A. chapters and F.F.A. individuals over the state. While attending the convention, Bob Clayberg and Dick Ewan were members of the championship softball team. They both received medals for this achievement.

The Cuba Chapter was well represented at the Fulton County Fair. The members brought home several blue and red ribbons. The departments that exhibited were: swine, poultry, and sheep.

Three of the F.F.A. members journeyed to the Illinois State Fair. Bob Fry, Harold Lynch, and Bob Clayberg made a good showing in the Junior Swine Show.

The Bushnell Barrow Show was attended by Raymond White and Harold Lynch. Their barrows placed in the A and B Divisions of the show.

The F.F.A. Leadership Camp was held in August at Epworth Camp Grounds. Two members, Dick Ewan and Bob Marshall, represented our chapter at this camp. They had a chance to meet other F.F.A. members from our Section. They brought back many ideas to our chapter which have been helpful at different times throughout the year.

One of the big events of the year is the Green Hand Initiation. This is the event in which all the freshmen agriculture students are initiated into the F.F.A. organization. We were very happy to have twenty-one new green hand members this year. Of course, this affair is one that is enjoyed by all the upper classmen.

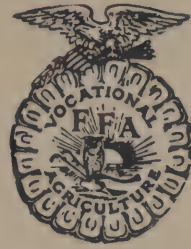

The F.H.A.-F.F.A. worked cooperatively in sponsoring a hayrack ride and weiner roast at the beginning of the school year. They also sponsored a skating party held at the Canton Skating Rink.

The Fall Festival held in the Cuba gymnasium was a big success this year. Many of the F.F.A. members brought in their choice grain and fruit to exhibit. Donald Burton was the champion of the grain show. Marvin Henderson showed a Farm Produce Display of over one hundred articles that were produced on their farm.

The Annual Grain and Judging Show was attended by our chapter. Several of the members exhibited grain at the show. The members of our Grain Judging Team were: Bob Clayberg, Dick Ewan, Marvin Henderson, Ernie Hines, and Roy Slater.

The chapter has been active in raising money at various times during the year. They sold garden seeds and concrete hog troughs to many of the people living in the surrounding community. There has been much activity around the agriculture building. The members have built out-of-door chicken feeders, hog houses, rack wagons, trailers, portable livestock shoots, hog feeders, and other small articles. As you can see, the F.F.A. has had a very successful year. However, it is hoping to make the coming years better yet.

In 1945 the Future Homemakers of America was first established as a national organization. The states were divided into sections, and Cuba is a member of Section 12, which includes Fulton, Knox, Mason, and Tazewell counties. The Cuba Chapter of F.H.A. was organized in 1945 by Miss Helen Melvin.

F.H.A. is made up of girls who have taken one year or more of Home Economics. The classes study varied units of work each year. Clothing, foods, home management, good grooming, and child care are main units.

The F.H.A. meetings are held on the second Friday of each month in the school cafeteria. A business meeting is held and talks on various activities are given. This year we enjoyed a skit on Parliamentary Procedure, a demonstration on Floral Table Decorations by Ruth Lyons, and a short skit by Mary Kathryn Churchill and Betty Jean Hutchins.

Playing games and roasting weiners under a full moon made the annual F.H.A. and F.F.A. hayride a success. On Wednesday, December 21, a Christmas Party and gift exchange was held eighth period in the cafeteria. The formal dance held in March seems to be becoming an annual affair. Girls in bright colored formals and boys in their Sunday best make an attractive spring evening.

The annual F.H.A. and F.F.A. Parents' Party held in the latter part of April gives the parents a chance to meet the teachers, see what their sons and daughters are doing, and see the school.

A formal installation was held for this year's officers for the year were Arla Jean Rock, president; Mary Churchill, vice-president; Patricia Lescallett, secretary; Leigh Ann Henderson, treasurer; Ardith Zimmerman, parliamentarian; Betty Hutchins, historian; Lorraine Wheeler, degree chairman; Jane Willen Clayberg, song leader; and Betty Anne Marshall, Chairman of Public Relations.

With 80 in the chapter, our F.H.A., under the supervision of our advisors, Miss Helen Melvin and Mrs. Patricia Hovey, has enjoyed a very successful year.

## Mixed Chorus

The Music Department, under the able direction of Miss Juanita Cantwell, has been very successful this year.

The girls chorus, which consists of thirty-nine members, meets every Tuesday and Thursday. The boys chorus, with nineteen members, meets every Monday and Wednesday. On Friday there is a rehearsal of a mixed chorus composed of thirty-eight members.

The chorus has participated in several activities this year. At Christmas time the girls' and mixed choruses presented several numbers in the Christmas program.

In March, the Fulton County Festival was held in Farmington. Cuba choruses participated and also presented a special number.

Our pianists for the year were Nancy Stockham, accompanying the boys' chorus, and Arla Jean Rock, accompanying the girls' and mixed choruses.

The chorus presented numbers for both Baccalaureate and Commencement services which closed a very enjoyable year of singing.
